Dear Damian

THANK YOU SPRINKLER SEMINAR 21 MAY 2019

I am writing to thank you for participating as a speaker at the Tyne and Wear Fire and Rescue Service Sprinkler Seminar on the 21 May 2019, held in association with British Automatic Fire Sprinkler Association (BAFSA). It was great that this event coincided with the National Fire Chiefs Council (NFCC) Sprinkler Awareness Week 19-25 May 2019.

When planning an event such as this, it is important to gain the participation of experts in the field. Your willingness to share your time and expertise was critical to the success of the seminar. We were fortunate to host a wide range of speakers from all areas including housing providers, safety engineers, building companies as well as representatives from the NFCC and other Fire and Rescue Services. It is our collective efforts and thoughts on best practice that will aid us to ensure that we are able to best protect all occupants, including those most vulnerable, from the devastating impacts of fire.

Once again, thank you for participation in making this seminar a success.

Yours sincerely
